Applicant: Beckmann et al.  
Appl. No.: 10/523,065  
Filing Date: September 8, 2005  
Title: METHOD, SUBSCRIBER DEVICE AND RADIO COMMUNICATION SYSTEM FOR  
TRANSMITTING USER DATA MESSAGES  
Attorney Docket No.: 03869.105734  
Pub. No.: US 2006/0094441 A1  
Pub. Date: May 4, 2006

This is a decision on the request for republication of patent application publication under 37 CFR 1.221(a), filed on August 17, 2010, for the above-identified application.

The request under 37 CFR 1.221(a) is DISMISSED.

37 CFR 1.221(a) requires “a copy of the application in compliance with the Office electronic filing system requirements and be accompanied by the publication fee set forth in § 1.18(d) and the processing fee set forth in § 1.17(i)”. If the request for republication does not comply with the electronic filing system requirements, the republication will not take place and the publication fee set forth in § 1.18(d) will be refunded. The processing fee will be retained.

The applicant did not supply a copy of the application in compliance with the Office electronic filing system, as required by 37 CFR 1.221(a) because **the Applicant submitted the papers as a “Document for an existing application”, which are entered into the application file, and not as a “Pre-Grant Publication” submission.** The request for republication does not comply with the electronic filing system requirements, thus republication will not take place.

Any request for republication under 37 CFR 1.221(a), must be submitted via the EFS system, as a Pre-Grant publication submission and must include a copy of the application in compliance with the Office electronic filing system requirements. The applicant is directed to the following website for additional instructions on how to submit a Pre-Grant Publication submission via the electronic filing system:
